# **CATÁLOGO DE PRODUCTOS**

**HYUNDAI**

A lo largo de esos años, TIK se ha reconocido como una empresa que ha mejorado continuamente la calidad de sus productos y servicios y se ha expandido por todo el mundo con sus excelentes kits de pistones para todo tipo de vehículos. Con la marca principal TIK, Zenith Troop está presente en más de 75 países.

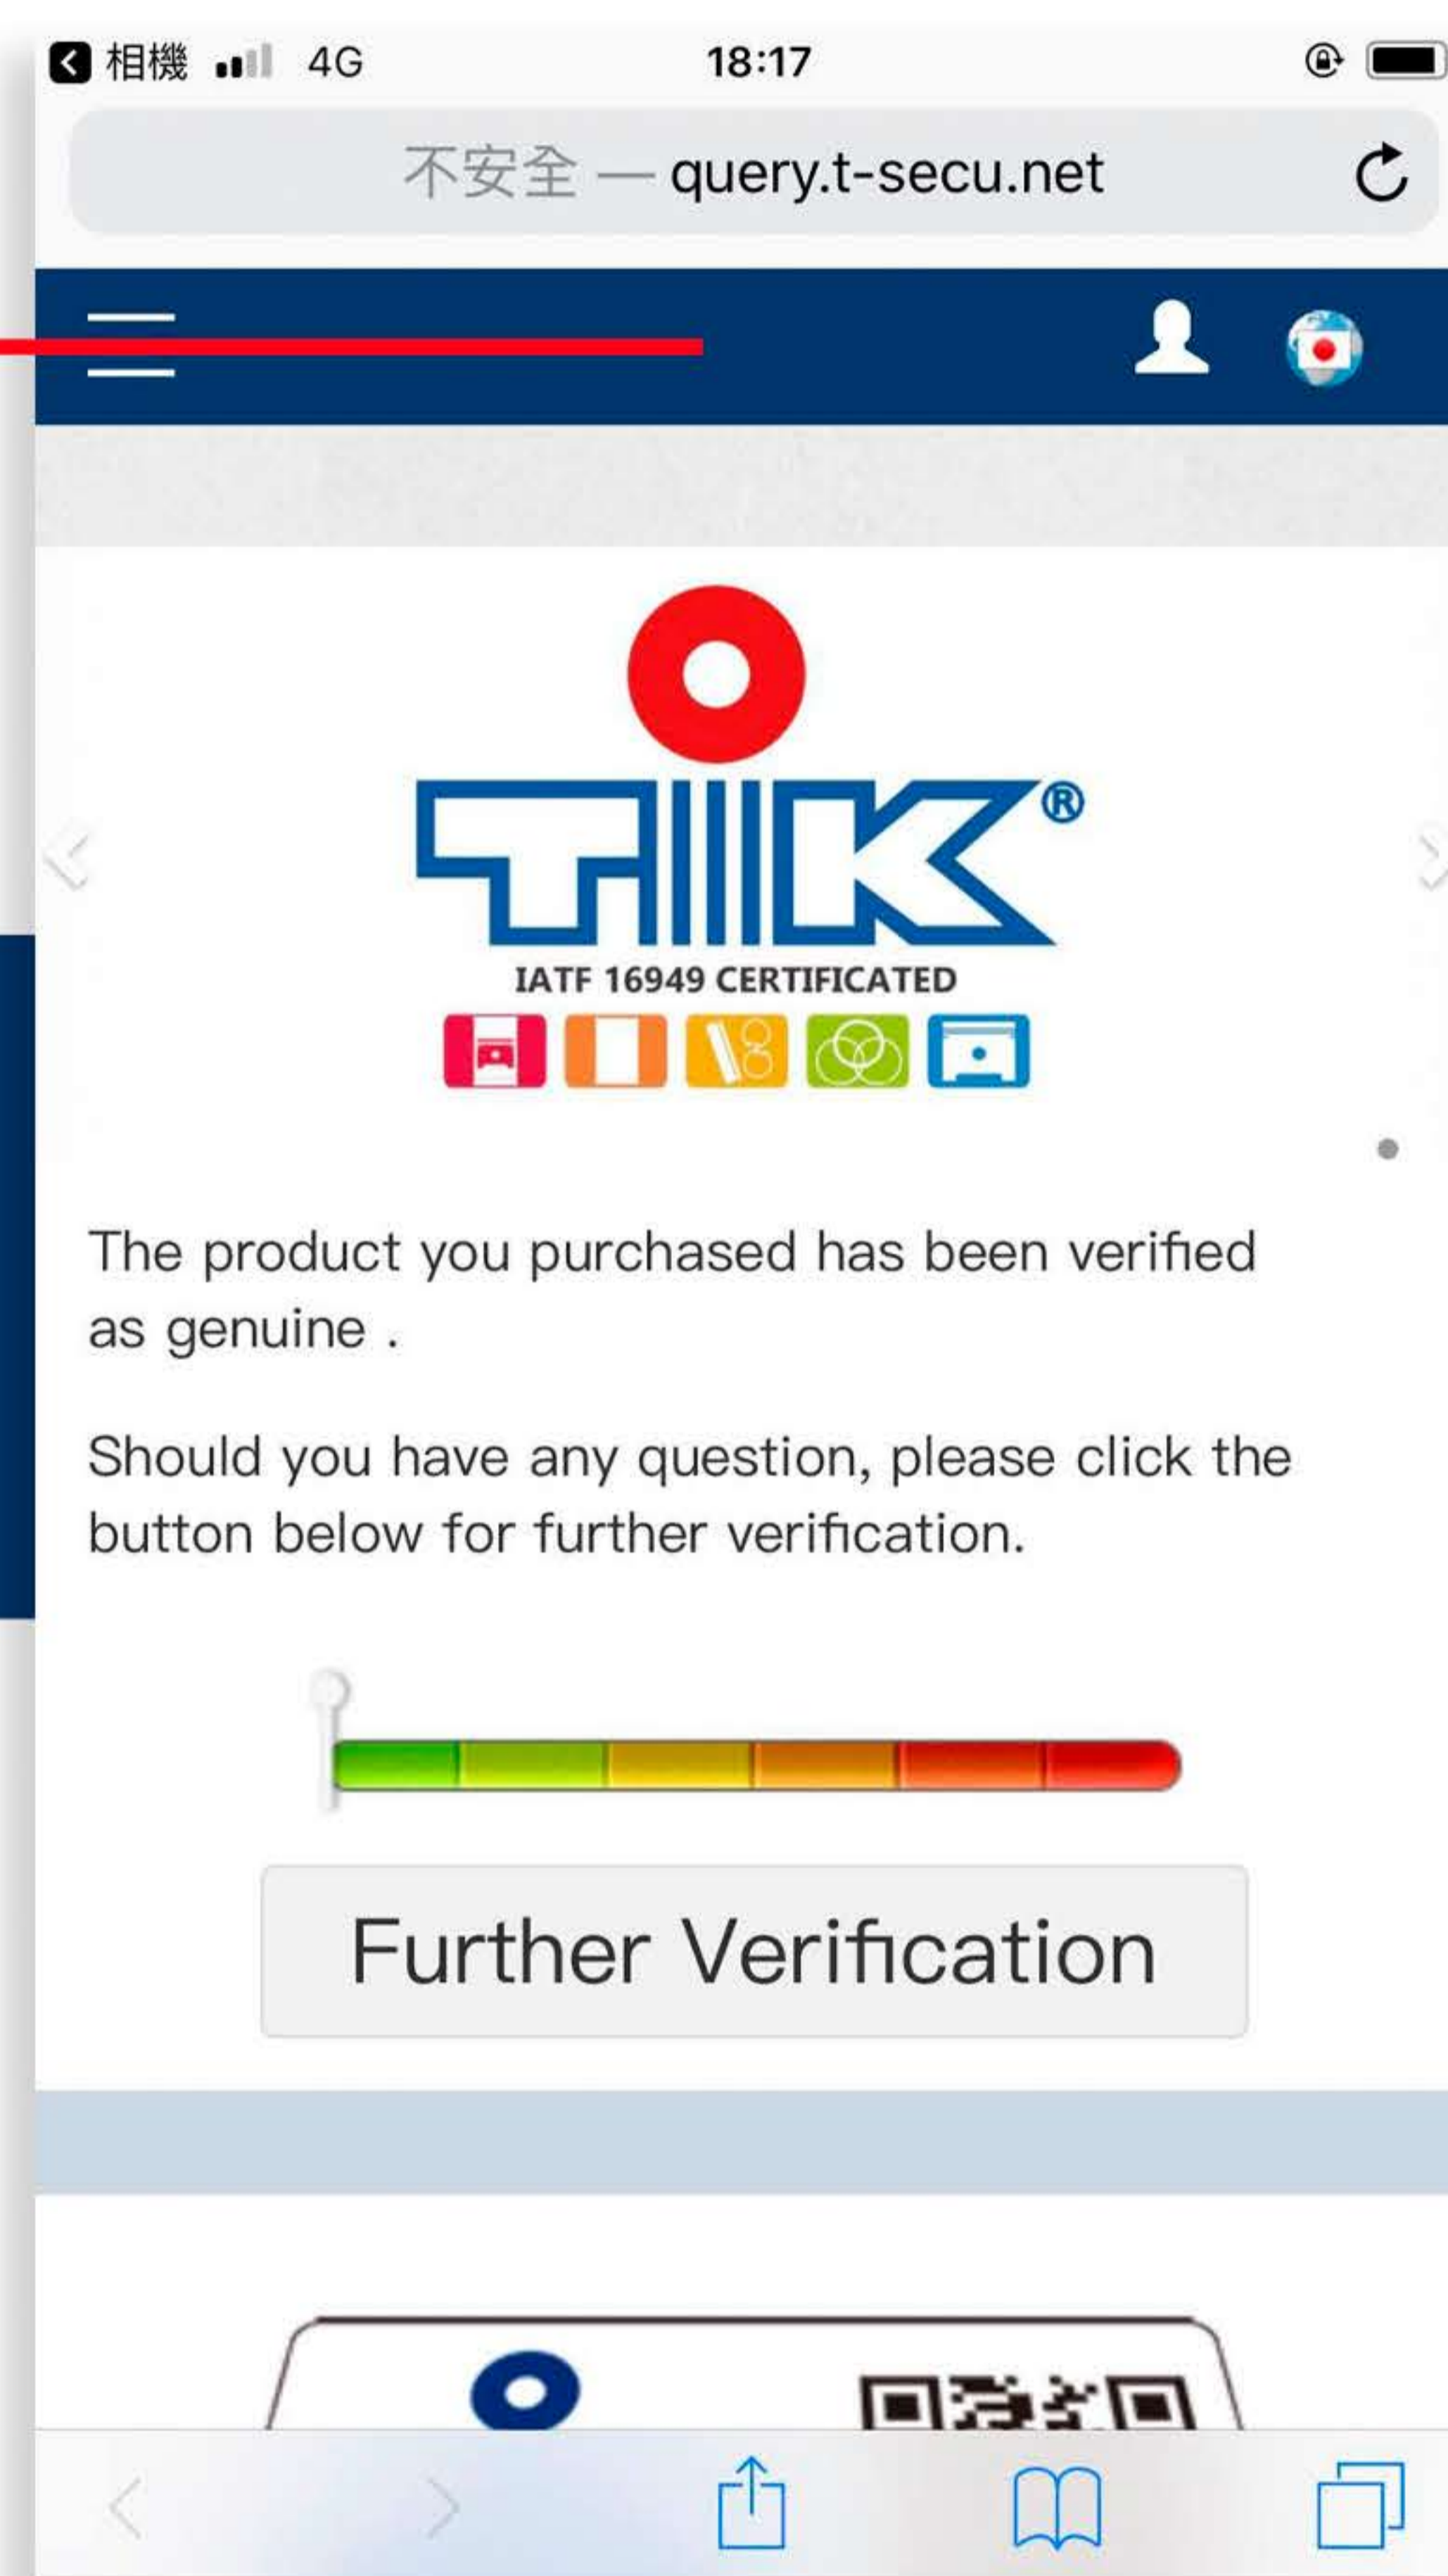

En la actualidad, el 30 % de su producción se realiza como producción OEM y el 70 % de la producción se centra en el mercado AM en el mundo. El objetivo de TIK es proporcionar pistones de calidad OEM al sector del mercado de repuestos y satisfacer a nuestros clientes en todo el mundo.

# INFORMACIÓN CONTRA LA FALSIFICACIÓN

*Comprueba la autenticidad de tu pistón TIK*

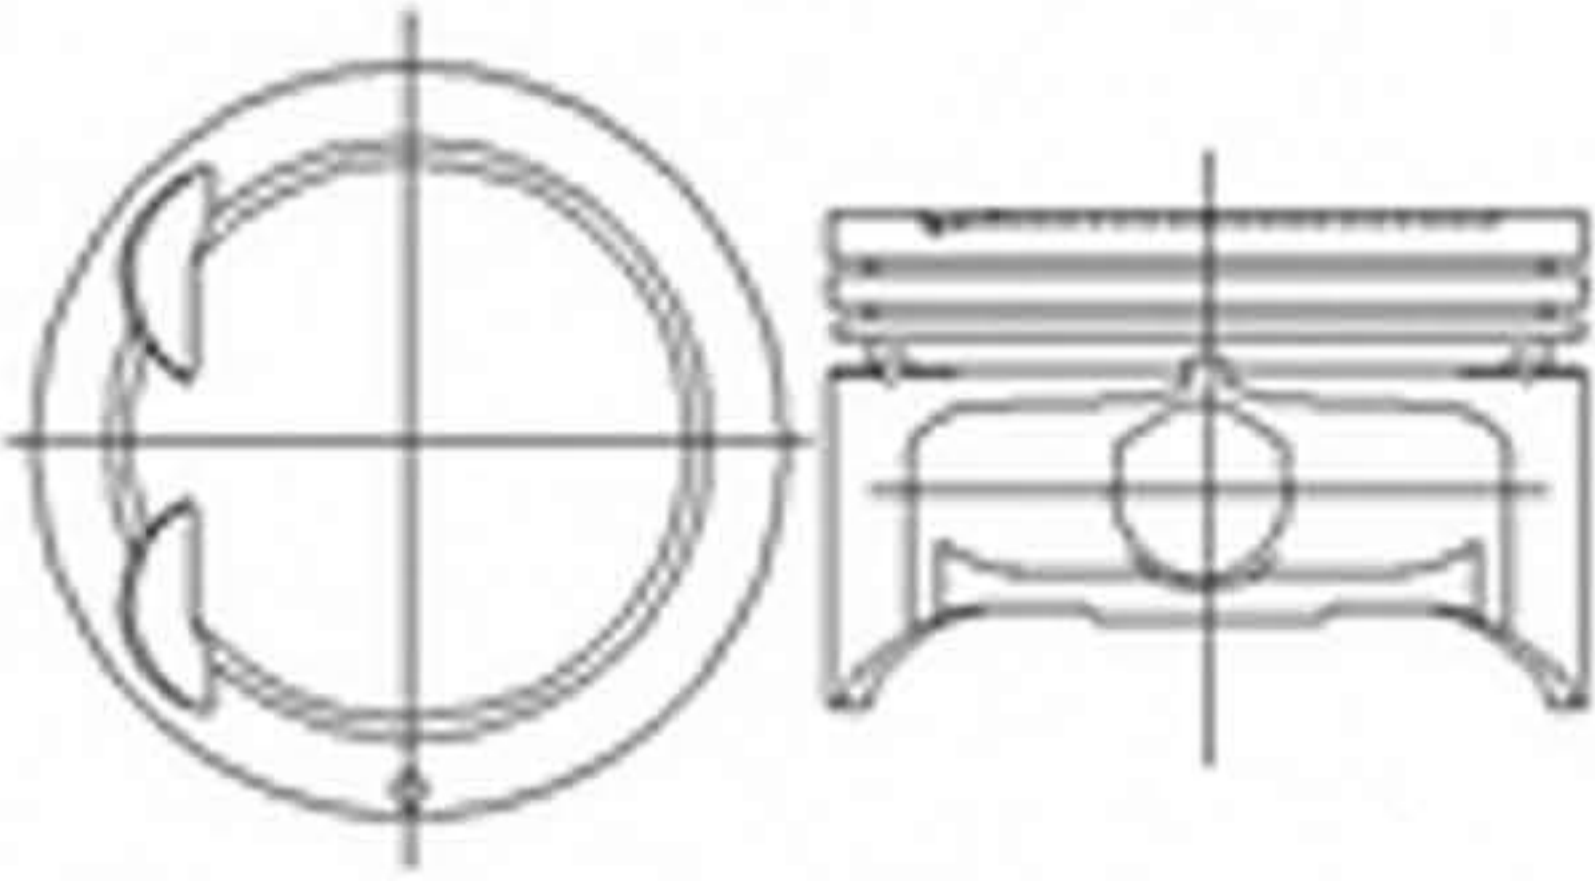

Escanee el código QR para identificar las piezas.

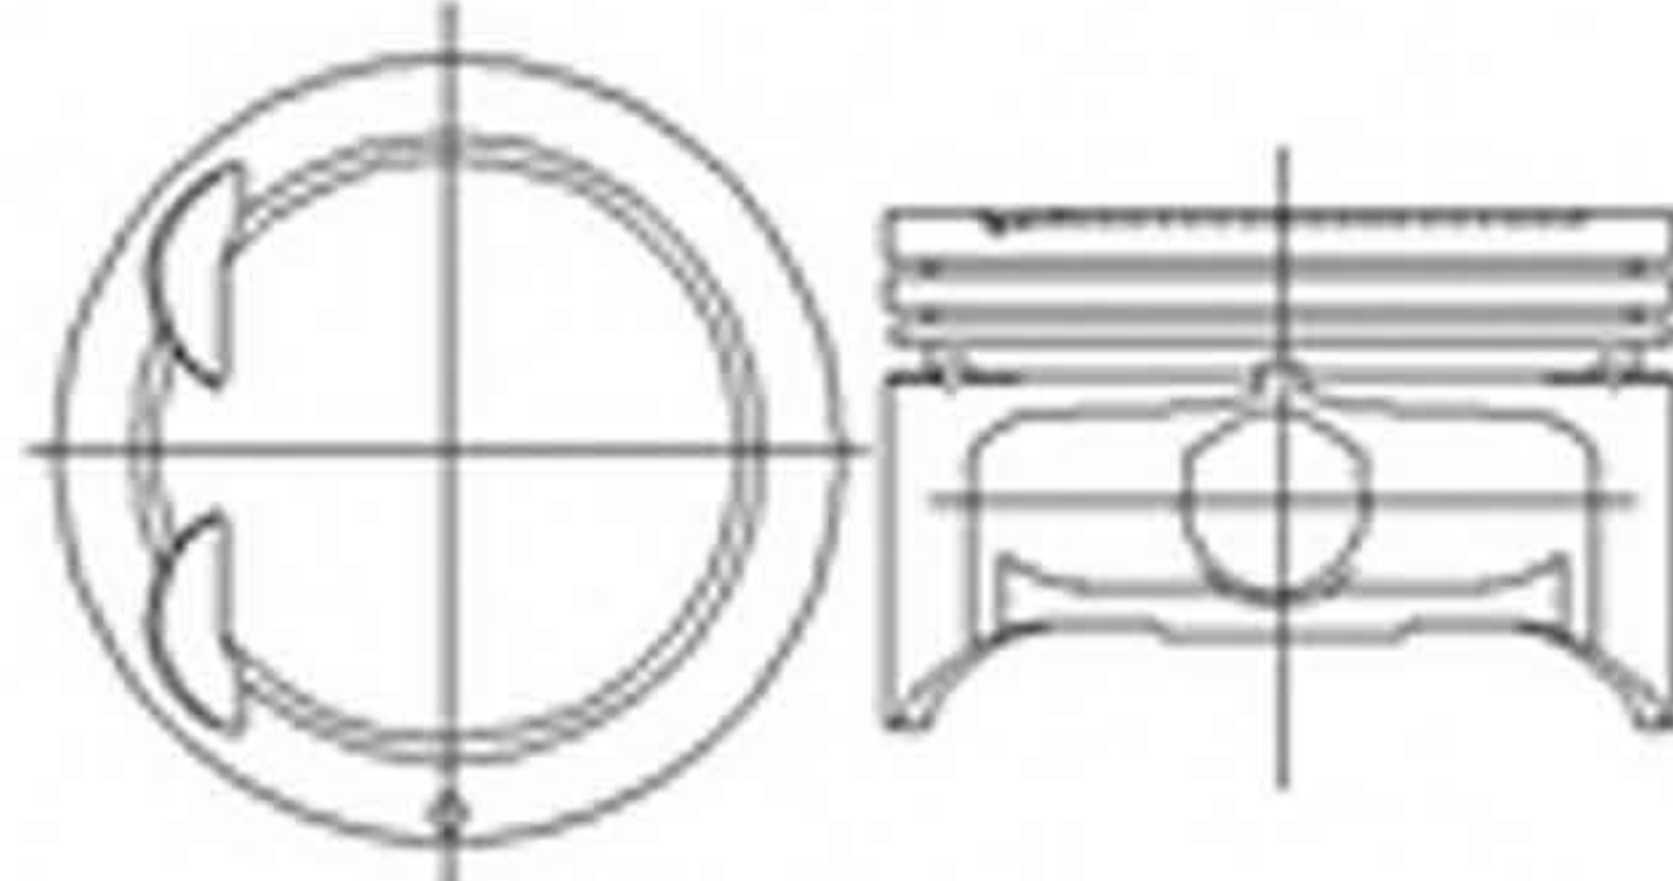

Utilice la calcomanía para verificar si tiene un pistón **TIK genuino**.  
*También toque y cambie el ángulo para ver el patrón*
